PERSON SPECIFICATION

Whether you're a 3 year old in nursery learning to explore the world around you, an 18 year old preparing to go to university, a new teacher understanding the demands of the job, a Head Teacher leading the learning in your academy, a member of the regional team ensuring efficient and effective operations or a trustee scrutinising and challenging the CEO, we want every single person within E-ACT to be driven by three core values:

- We want everyone to **think big** for yourselves and for the world around you;
- We want everyone to **do the right thing** in everything you do, even when this means doing something that's hard, not popular or takes a lot of time;
- We want everyone to show strong **team spirit**, always supporting and driving your team forward

We really believe that if we all do the right thing, support our teams and we all think big, believe big, act big, then the results will be big too!

This means that if you want to be part of E-ACT, you need to be able to embrace and embody these values in all that you do.

Doing the Right Thing	• Have integrity and honesty in all that you do • Make decisions that are based on doing the right thing, even when this means that they're unpopular or will lead to more work • Take responsibility and ownership for your area of work • Have difficult conversations or deliver difficult messages if that's what's required to do the right thing by our pupils • Be transparent and open
